EXT. ALLEY OUTSIDE CLUB - NIGHT

The alley outside club xxx is dirty, pipes line the wall opposite of the club entrance and a trash container can be made out in the distance through the thick sand dust that hangs like a thick fog in the air. BILAL is standing outside the club fidgeting and acting nervous. NAFIR walks up to BILAL.

BILAL
(Aggitated)
Where you been?! Been waiting an
'our 'ere! Freezin' me balls off!

SCENE 15

INT. CUBE - NIGHT

NAFIR enters the nightclub CUBE. There isn't a single person in the club. Muffled club music can be heard and so can the camera drones hovering in the air.

NAFIR
Still a shithole even without the
scumbags in here.

NAFIR goes looking for a way to get into ALESERS office while avoiding the camera drones.

NAFIR (cont'd)
Better keep a low profile.

NAFIR sees the electrical door.

NAFIR (cont'd)
Bet I can turn off the camera by
Alesers office.

He first gets a security card from the clubs security office.

NAFIR (cont'd)
Dumbfuck, leaving your security card
behind. Just need a key code now.

After that he goes to the clubs staff room to find the password for the electrical room.

NAFIR (cont'd)
Coming for you tin cans! Change

In the electrical room he turns off the camera drones and finds a fuse box.

NAFIR (cont'd)
Lights out tin can.

After his way to ALESERS office. In the office he logs onto ALESERS computer and sees a suspicious locked file he hacks into. NAFIR downloads the files to a stick he carries on his person.

NAFIR (cont'd)
It's all connected, Sons of bitches!

When he is done he hears screams of anguish coming from the room next door. He goes into the room.

NAFIR (cont'd)
No please! Jamal! Nour are you... we gotta get you out of here! We gotta...

NOUR
No, whats the point? It all just goes around like a fucking clock.

NAFIR
But, your b...

NOUR
It was me, I was the one driving that night. I think that's why they put in this skin as a punishment. I'm sorry. It's all so fucking stupid. I just... and I was so fucked up, and it's.. and Fatima... I'm sorry. Please just end it, just destroy my core.

NAFIR
I.. I get it. it's not your fault, It's this whole system. I'll take care of it all, just sleep for now.

NOUR
Can you do me one last favor?

NAFIR
Yes.

NOUR
Will you stay with me too the end.

NAFIR
Sure

NOUR dies.

Option 1 (destroy Nours core), option 2 (Save Nours core).
